FYI just got a call from Karen Kopp (covering phones for both PRD and BEAD) and she had a voicemail from an NPR reporter) – likely the same one. She was going to transfer to Molly.

Good Morning Carol, Anne,
Can you please ask ____ (I don't remember Dale's replacement's name) to follow up with Dan Kim of NPR about his rodenticide cancellation questions? He left the phone number 773-575-6584. He didn't mention anything specific other than he was doing a story on the cancellation decision.
Thanks,
Rusty
